

THE **AI CONCIERGE** THAT SAVES **TIME** AND INCREASES **REVENUE**

ASIF ALIDINA, CO-FOUNDER & CEO

Call or Message the AI Concierge

Instant Responses

24/7 multilingual AI agents on WhatsApp and phone provide immediate assistance, ensuring no guest request is missed.

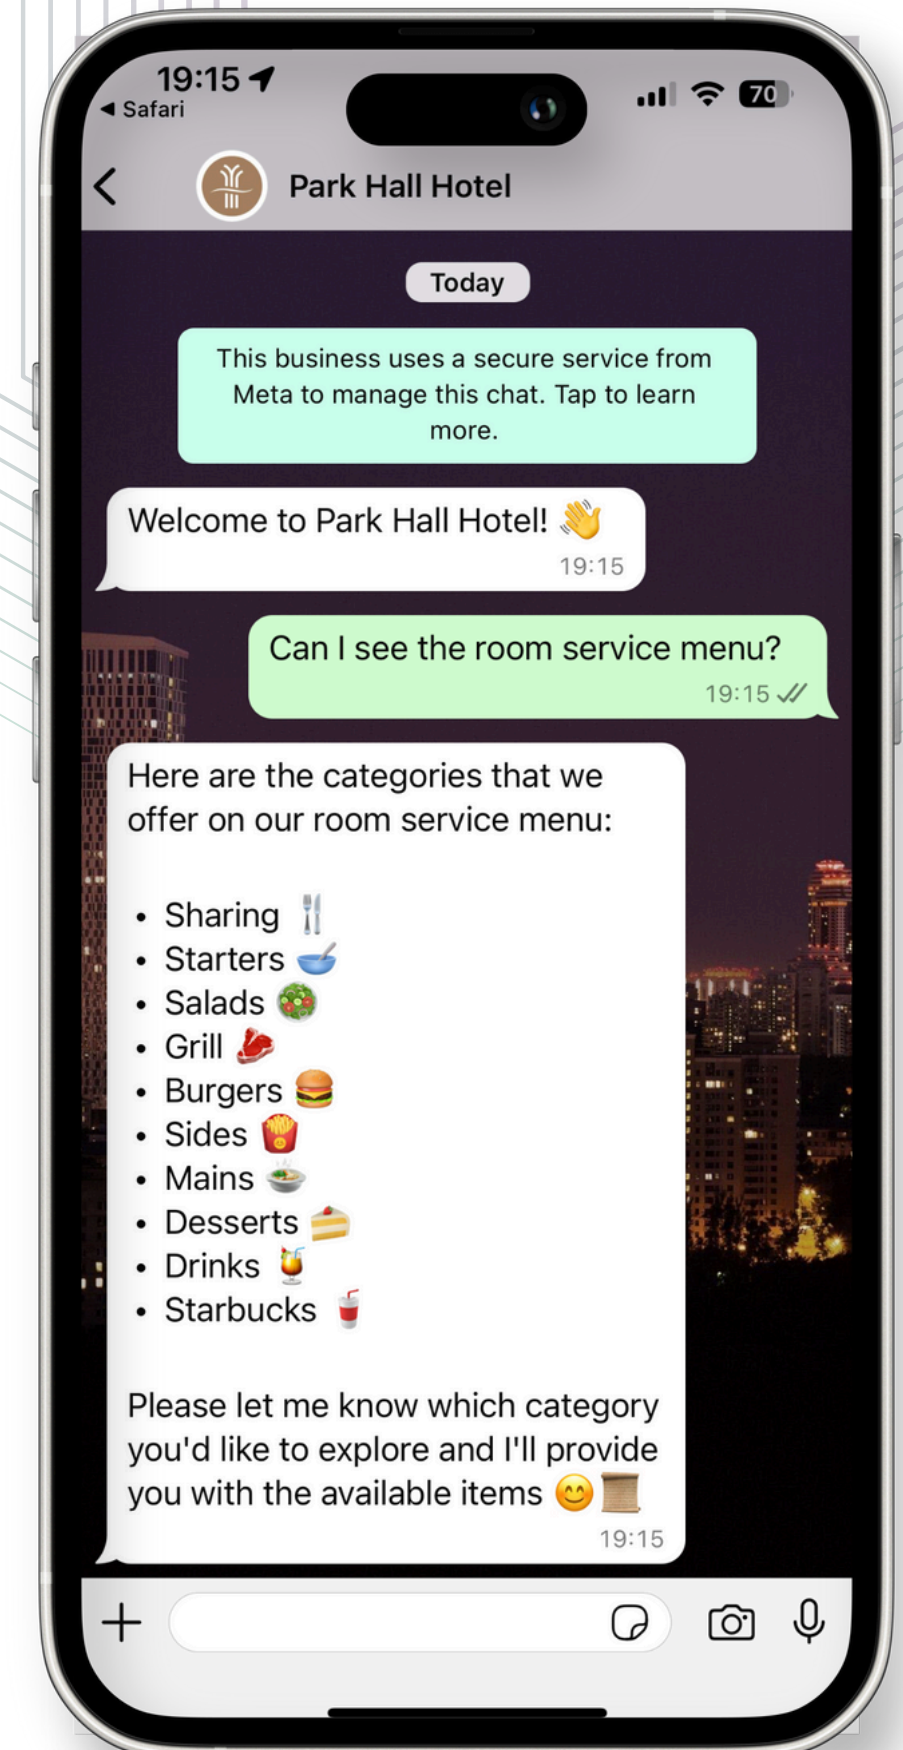

Seamless Engagement

Easy, app-free communication via familiar channels like WhatsApp creates a frictionless experience, enhancing guest satisfaction.

Personalised Service

AI-driven interactions capture guest preferences, enabling personalised recommendations and tailored services throughout their stay.

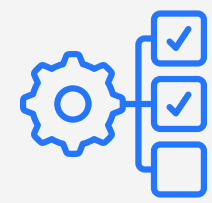

AI Agent for Team Productivity

Unified Communications

Centralised platform integrates guest and team communications, reducing missed tasks and streamlining operations.

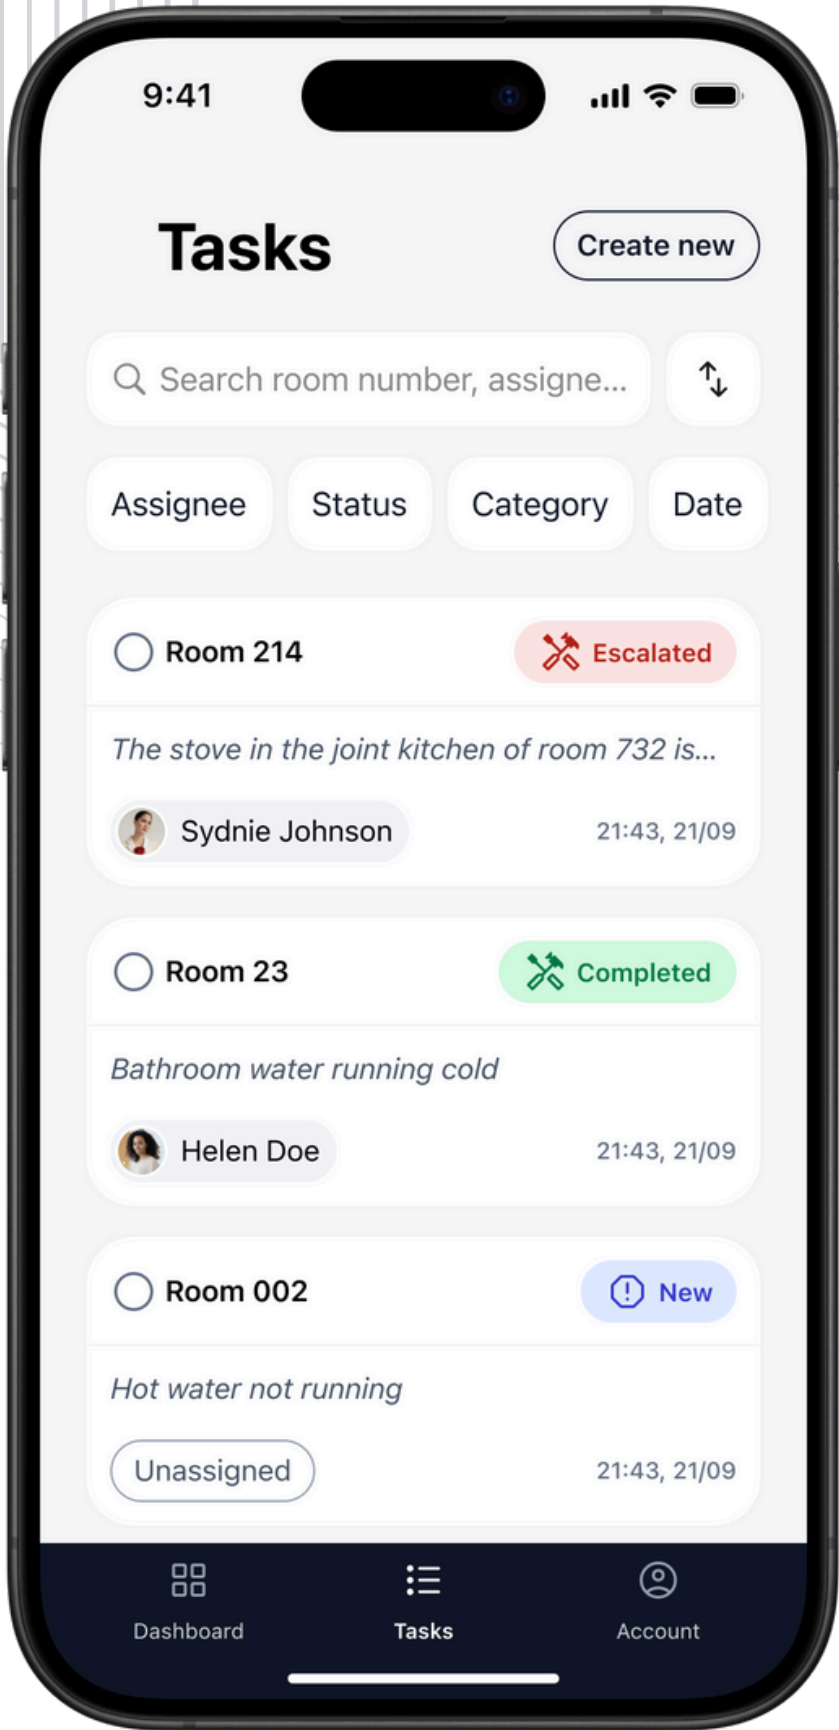

Automated Task Management

AI assigns tasks to the right teams instantly, freeing staff to focus on high-value guest interactions and improving efficiency.

Real-Time Insights

Live guest experience scoring and feedback help teams proactively address needs, elevating service quality and satisfaction.

Our Founding Team

Co-Founders, Asif and Shahzain, have **worked together** as colleagues and friends for over 10 years, teaming up on a range of **digital transformation** projects. Now reunited at Inntelo AI, they're combining their **expertise in hotels and technology** to transform hotel operations.
